About KenyaPesa

KenyaPesa is an online money transfer service which lets people send money family and friends from the Diaspora. The service is easily accessible using a computer, smartphone or tablet. Our fees are reasonable and lower compared to traditional money transfer services plus the added convenience of being able to send money from anywhere. KenyaPesa is available to send money in Canada and accepts payment via Interac Online and the recipients can collect money through a bank deposit, mobile money transfer or cash pick up from a local agent.
